The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**STREET LIGHTING DISTRICTS  
ANNEXATIONS AND LEVYING OF ASSESSMENTS FOR  
COUNTY LIGHTING MAINTENANCE DISTRICTS 1687 AND 1697,  
COUNTY LIGHTING DISTRICT LLA-1,  
UNINCORPORATED AND CARSON ZONES,  
AND EXCHANGE OF PROPERTY TAX REVENUES FOR  
APPROVED TENTATIVE SUBDIVISION TERRITORIES  
SUPERVISORIAL DISTRICTS 2 AND 5  
3 VOTES**

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt the enclosed Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance Districts 1687 and 1697 and County Lighting District LLA-1, Unincorporated and Carson Zones, and Order the Levying of Assessments within Annexed Subdivision Territories whose areas and locations are identified and listed in the enclosed Appendix A for Fiscal Year 2005-06.
2. Set a date for a public hearing regarding the proposed annexation of approved tentative subdivision territories and levying of annual assessments based on the Fiscal Year 2004-05 Annual Engineer's Report, which establishes assessments based on land-use type for all

zones within County Lighting District LLA-1 for street lighting purposes, with a base annual assessment rate of \$5 for a single-family home for the Unincorporated Zone, and \$1 for a single-family home for the Carson Zone.

3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled hearing date of \_\_\_\_\_, pursuant to Section 53753 of the Government Code. The mailed notice will include assessment ballots.

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:**

1. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.
2. Determine whether a majority protest against the proposed annexation or assessment exists.
3. Adopt the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance Districts 1687 and 1697 and County Lighting District LLA-1, Unincorporated and Carson Zones, and Levying of Assessments within the Annexed Subdivision Territories for Fiscal Year 2005-06, either as proposed or as modified by your Board, and the enclosed Joint Resolution(s) Approving and Accepting the Exchange of Property Tax Revenues resulting from annexation of territories to County Lighting Maintenance Districts 1687 and 1697, except the annexations and the exchange of property tax revenues shall not be effective until the final subdivision maps are filed with the Registrar-Recorder/County Clerk, and the legal descriptions for the annexation areas are approved as to definiteness and certainty by the County Assessor. If there is no majority protest against the proposed annexation or assessment, the adoption of the Resolution shall constitute the levying of assessments in Fiscal Year 2005-06.
4. Find that the annexations and assessments are to meet operating expenses; purchase supplies, equipment, or materials; meet financial reserve needs and requirements; and obtain funds for capital projects, including the operation and maintenance of street lights necessary to maintain service within the proposed annexation areas.

5. Instruct the Executive Officer of the Board to file copies of the enclosed Resolutions with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.
6. Make a finding terminating the annexation, levy of assessments, and property tax transfer proceedings in those approved tentative subdivision territories where the proposed annexation and levying of assessments have been rejected as a result of a majority protest.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

These recommended actions are for your Board to annex the approved tentative subdivision territories into County Lighting Maintenance Districts 1687 or 1697 and County Lighting District LLA-1, Unincorporated or Carson Zones; levy assessments on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received in Fiscal Year 2005-06; and approve the exchange of property tax revenues among those nonexempt agencies whose service area is subject to the jurisdictional change.

County ordinance and the City of Carson Municipal Codes require the installation of a street lighting system by a sub-divider. The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights.

#### **Implementation of Strategic Plan Goals**

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as this annexation, levy of assessment, and property tax transfer provides the funding necessary for the operation of new street lighting facilities within these annexed subdivision territories.

#### **FISCAL IMPACT/FINANCING**

The assessments are subject to the results of ballot tabulation for these proposed annexation areas at the conclusion of the public hearing. Failure to annex the territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of a County-administered lighting district and will result in the project not being allowed to record or being issued a building permit, or result in property owner(s)/developer(s) remaining responsible for the future operation and maintenance of the street lights.

Upon annexation, the ongoing operation and maintenance costs of the street lights within these areas will be financed by the collection of ad valorem property taxes, supplemented by assessments annually approved by your Board. The annexation will result in a minimal property tax growth transfer from other County agencies, such as the County General Fund, the County Fire Department, and the County Library.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The Streets and Highways Code (Sections 5821.3 and 22608.2) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by ordinance, without notice and hearing, or filing of an Engineer's Report. The posting and publishing requirements and filing of an Engineer's Report for these subdivision projects are, therefore, not required.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

Under Proposition 218 (State Constitution, Articles XIII C and XIII D), it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefited properties within County Lighting District LLA-1 by any formula or method which fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each from the improvements. A method of distributing the street lighting costs on the basis of land use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessments rates shown in the Fiscal Year 2004-05 Annual Engineer's Report, on file with Public Works.

Affected agencies must approve and accept the exchange of property tax revenues pursuant to Section 99.01 of the Revenue and Taxation Code by resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a resolution providing for the

exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. If the agency is a city, however, the exchange of property tax revenues must be approved by both the city and the County.

The City of Carson has executed the Resolution Granting Consent and Jurisdiction to the County of Los Angeles in the matter of annexation and to the assessments for project within the City of Carson and is on file with Public Works. The Joint Resolution(s) Approving and Accepting the Exchange of Property Tax Revenues approved by the City and nonexempt agencies are enclosed for your consideration.

Following the Board's approval of the annexation, levy of assessment, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code. The State Board of Equalization will approve the transfer of property tax revenue beginning in Fiscal Year 2005-06.

Copies of diagrams showing the boundaries of each proposed subdivision annexation territory are included in the Resolution of Intention.

The enclosed Resolutions have been approved as to form by County Counsel.

#### **ENVIRONMENTAL DOCUMENTATION**

This project is exempt from the California Environmental Quality Act under Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

At such time as these recommendations may be approved, please return one approved copy of this letter and the signed Resolutions to Public Works and one approved copy of the letter and Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).

AND TO ORDER THE LEVYING OF ASSESSMENTS  
WITHIN THE ANNEXED SUBDIVISION TERRITORIES FOR  
FISCAL YEAR 2005-06**

WHEREAS, on July 24, 1979, the Board of Supervisors of the County of Los Angeles approved the formation of County Lighting District LLA-1 to provide supplemental funds for the operation of street lights in County-administered lighting districts; and

WHEREAS, the Board of Supervisors adopted the Fiscal Year 2004-05 Annual Engineer's Report that shows estimated operating costs and recommended assessments for each zone within County Lighting District LLA-1; and

WHEREAS, the Improvement Act of 1911 (Section 5821.3 of the Streets and Highways Code) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by ordinance, without notice or hearing; and

WHEREAS, the Landscape and Lighting Act of 1972 (Section 22608.2 of the Streets and Highways Code) provides that in the event an ordinance requires installation of improvements by a subdivider, the territory may be annexed to an existing lighting district without notice and hearing, or filing of an Engineer's Report or both; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of the benefited approved tentative subdivision territories listed in Appendix A to County Lighting Maintenance Districts 1687 or 1697, pursuant to Section 5837 of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of these benefited approved tentative subdivision territories listed in Appendix A to County Lighting District LLA-1, Unincorporated or Carson Zones, pursuant to Section 22605 of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of street lights to be located within the proposed annexation territories and County Lighting District LLA-1, shall be assessed in Fiscal Year 2005-06 upon each lot or parcel of land lying within the annexed territories based on land-use categories that designate usage units on the basis of benefits received as defined in the County Assessor's report dated May 22, 1979, and amended on July 22, 1997, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. The proposed base assessment rates are shown in the Fiscal Year 2004-05 Annual Engineer's Report for each zone within County Lighting District LLA-1. The same proportional increases are proposed for all other benefited property uses in the subdivision territories.

SECTION 4. The boundary of the territories proposed to be annexed consists of the areas shown on the attached maps.

SECTION 5. The proposed assessment is subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the area proposed for annexation at least 45 days prior to the date of the public hearing scheduled for \_\_\_\_\_. The ballots will be weighted by the amount of assessment to be paid by each property owner. The approved tentative subdivision territories will not be annexed, and the proposed assessment for that subdivision will be abandoned, if the weighted majority of ballots submitted are opposed to the assessment.

SECTION 6. The amounts to be assessed for the expense of such operation and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Article XIID of the California Constitution.

SECTION 8. Tuesday, \_\_\_\_\_, at 9:30 a.m., is the day and hour, at the Chambers of the Board of Supervisors of the County of Los Angeles, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012, the place fixed by said Board of Supervisors when and where any and all interested persons may hear the proposal and be heard regarding the proposed street lighting assessments in the subdivision territories proposed for annexation to County Lighting District LLA-1.

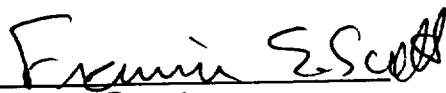

The foregoing Resolution was on the \_\_\_\_\_ day of \_\_\_\_\_ 2004,  
adopted by the Board of Supervisors of the County of Los Angeles and ex-officio of the  
governing body of all other special assessment and taxing districts, agencies, and
